Scheduling requests will be honored in the following order:

1. Inability to co-op on a particular day due to regular work schedules

3. Preference for co-opping on days when all siblings are in school (For families with more than one child at AHCNS).

Please list below the day(s) of the week on which you cannot co-op and the reason(s) you wish to be exempt on these days.

Please check here if you have no co-opping requests.

Please check here if you are pregnant. Due date: _____

You are allowed up to 6 weeks off after delivery. Please keep in mind, however, that you are responsible for your full number of co-opping days before or after your maternity leave.

Schedules will be distributed in advance in order to allow ample time to trade days with others when needed (i.e. vacations, doctor's appointments, etc.). Please remember to change the co-opping schedules posted outside your child's classroom if trading days, as the teacher needs to know who is co-opping. If you co-op for someone, make sure that person takes one of your co-opping days as well; days are only counted as assigned.

All questions or additional requests (once the school year has begun) must be made in **WRITING** and given to Amanda Tyman, Participation Vice President, or emailed directly to amandanuw@yahoo.com.
